INVITATION LETTER OF THE ORGANIZING COMMITTEE

Dear Colleagues,

We hereby invite you, from now until 1 March 2024, to take an active part in organizing the Scientific Programme of the 10th anniversary scientific conference of young researchers “IDEAS AND INNOVATIONS IN EARTH SCIENCES” which will take place on-line on May 23–24, 2024. The tradition of holding scientific conferences by young scientists of the Department of Geosciences of the National Academy of Sciences of Ukraine and attendees from other Ukrainian institutions has been successfully supported for 15 years.

This time, we would like to see the expansion of the Conference by further students, young scientists and experienced researchers from all over the world. We ask you to share your interests, discoveries and experience in the scientific field which we are all so interested – Geosciences. Ideas exchange, new experience, multidisciplinary discussions, emergence of new ideas and creation of new connections: this is the main goal which we strive by organizing this conference. Scientific sessions proposals, promotion activities, and support by all interested parties are highly welcome.

It is difficult to say how the 10th anniversary conference will take place, since we are writing this letter on the 550th day of the war against our native country, but we are sure of one thing – it will take place!

**Best regards,
Conference organizing committee.**

TOPICS OF SCIENTIFIC REPORTS

General and regional geology
Mineral resources
Marine geology
Petroleum geology
Paleontology and Stratigraphy
Palynology and Paleoclimatology
Lithology and Sedimentology
Geochemistry, Mineralogy and Petrology
Hydrogeology and Engineering geology
Environmental geology
Physical geography, Geomorphology and Paleogeography
Geographical research and Sustainable development
Geodesy
Geoinformatics
Tectonophysics and Geodynamics
Geomagnetism, Paleomagnetism and Electromagnetism
Seismology and Seismic hazard assessment
Geological Impacts of the War in Ukraine

IMPORTANT DEADLINES

| | |
|-------------------------------|-----------------------|
| REGISTRATION DEADLINE | 1 March 2024 |
| ABSTRACTS SUBMISSION DEADLINE | 1 April 2024 |
| CONFERENCE | 23-24 May 2024 |

CONFERENCE REGISTRATION FEE

There is no registration fee for participation in the conference.

However, we will be grateful if you support official resources for raising funds for the Armed Forces of Ukraine, charitable organizations for the support of internally displaced persons or organizations directed to the support of war victims.

APPLICATION FORM

To participate in the conference, you must register using the form provided in the link:

<https://docs.google.com/forms/d/1bLNGgl5q6xyKa3E9Xxqx3p947b6Bd-K5peS46F0fZTA>

If you need, we will provide the official invitation letter to the conference.

SUBMISSION OF ABSTRACTS

Preparing abstracts, please carefully read the requirements listed in the link:

Please send completed abstracts on e-mail: rmv.ign.nas@gmail.com.

Attention! At least one of the abstracts' authors has to be an Early Career Scientist – students (BSc, MSc or PhD), doctors or practicing scientists who received their highest certificate within the past seven years. Abstracts are accepted exclusively in English. Abstracts are not edited, the authors are responsible for their scientific, orthographic and punctuation content. The Organizing Committee has the right to

refuse in publication or return for revision abstracts that do not match the topics of the Conference or formal requirements.

TYPES OF PARTICIPATION

Online presentation (using ZOOM program),
Only abstract publication (without presentation),
Visitor.

LANGUAGES OF THE CONFERENCE

English, Ukrainian.

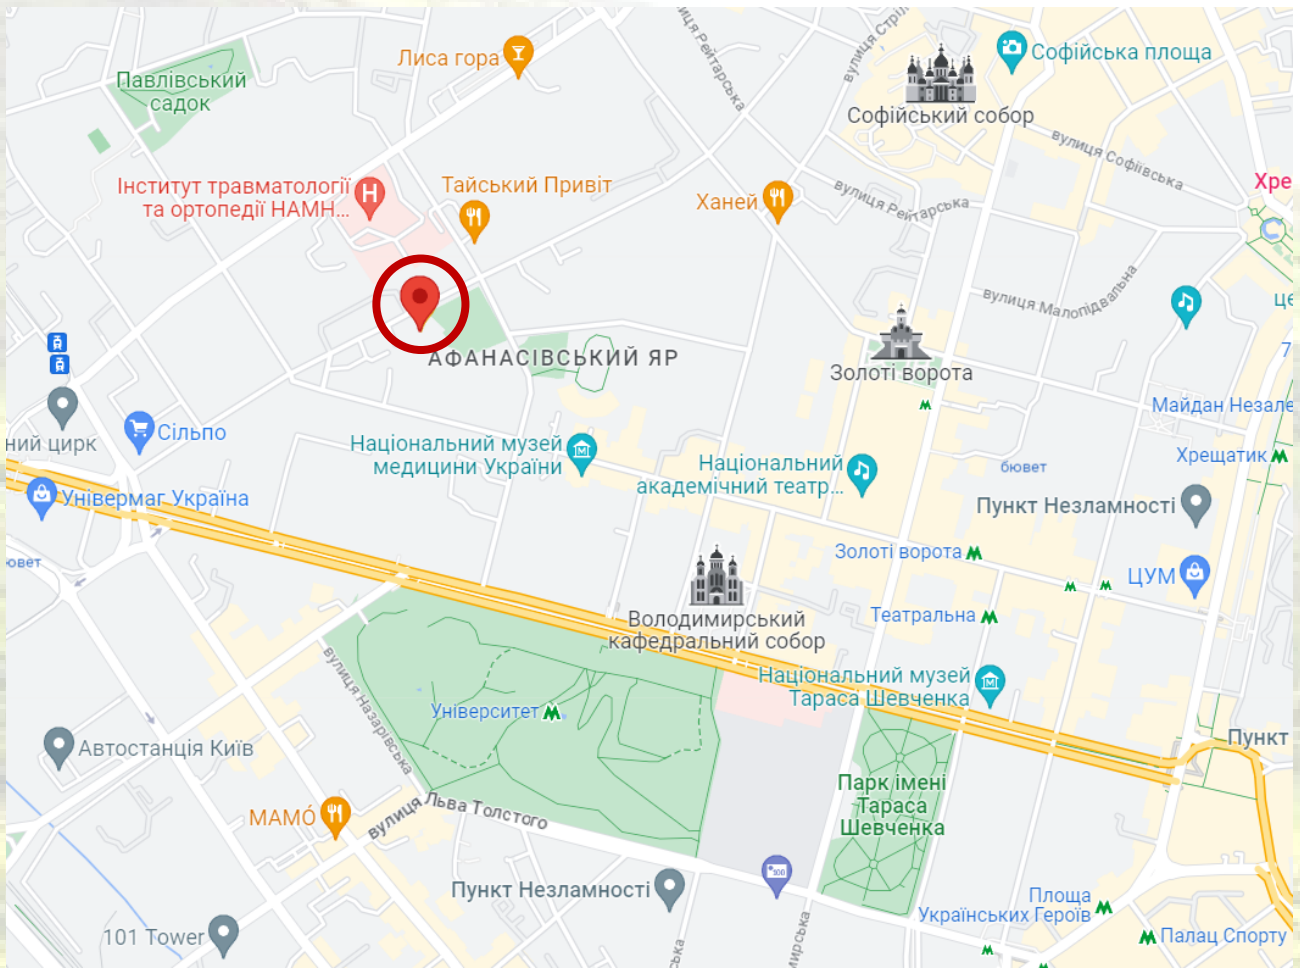

REGULATION OF THE PRESENTATIONS

The duration of the presentation is 15 minutes along with discussion.

PROCEEDINGS OF THE CONFERENCE

Materials of the Conference will be published as a Book of Abstracts and available on the Conference website (<https://gc.igs-nas.org.ua>).
